DSS SOUTH CAROLINA DEPARTMENT of SOCIAL SERVICES

South Carolina Department of Social Services-Statewide

DSS provides protective services for children and vulnerable adults, adoption, and foster care services. It administers federal Title IV-B Child Welfare Services and Title IV-E Foster Care and Adoption Assistance programs. Additionally, the Department is the administrator of the Interstate Compact on the Placement of Children. The Department also establishes standards for and licenses child care providers and residential group homes for children. Through its Division of Economic Services, DSS administers economic assistance programs including the federal Temporary Assistance for Needy Families (TANF) program, which provides employment and training for people receiving cash assistance. The Department administers food assistance programs in every county in South Carolina. The Supplemental Nutrition Assistance Program (SNAP) is a federal benefit to assist low-income citizens in the purchase of food. Also, a commodities program distributes supplemental food through a network of food banks. Other food programs provide financial assistance for child and adult care providers, homeless shelters and summer feeding sites for children. The Department also administers the state's child support program under federal Title IV-D and provides other child support services, including paternity establishment and fatherhood initiatives.
